NEW YORK CITY

summer evangelistic outreach

The New York metro area is home to approximately 1.7 million Jewish people. Tragically, this city has been largely neglected as a 21st century mission field.

SPREADING THE GOOD NEWS

This summer, you have a unique opportunity to help spread the good news of the gospel of Jesus the Messiah to God's chosen people and others from nearly every nation.

As part of our team, you will distribute literature and share your faith in bustling city neighborhoods. This will be an occasion to have a spiritual impact on hundreds of people during this memorable week.

Access an application by scanning the QRC or online at ibjm.org/new-york-city-evangelistic-outreach. You may also call our office to request an application by mail. All applicants are subject to approval by our Director of Ministries.

NOTE: Participants must be able to navigate stairs and endure the extensive walking and standing necessary in this outreach.

Space is limited. Registration deadline is April 3, 2026.
