# The **ANNUAL** **FOUR-DAY** **FOCUS** on Jewish Missions

June 17-20, 2024 

## THE PURPOSE

The Four-Day Focus unites veteran field workers in Jewish missions and evangelism with those who wish to be more effective witnesses to Jewish people. Future full-time missionaries, local church leaders, and those with personal contacts among Jewish people will find themselves challenged and blessed by this enriching conference.

## THE NEED

There are tremendous fields awaiting harvest, but, as Jesus said, "...the laborers are few." Thousands of Jewish people in the United States and abroad are waiting to hear the gospel message of their Messiah, the Lord Jesus Christ. Missionaries to Jewish communities around the world are urgently needed. You may be the answer to our prayers for laborers!

## THE SOLUTION

IBJM's annual Four-Day Focus on Jewish Missions provides practical training and information for those desiring to witness to Jewish friends and contacts through the local church. This exciting four-day conference is the perfect way for you to discover God's will and plan for your life in future ministry.

"I loved meeting new people and being able to fellowship with people my age who have the same desire to serve the Lord. I enjoyed learning about the Jewish people. I really didn't know a lot about the Jewish people or their culture, and coming to Focus opened my eyes to the need of the Jewish people. - Hope"

## SCHOLARSHIPS

Conference scholarships are available to FULL-TIME Bible college students.

"I loved hearing about all the fields where Jewish outreach is needed. It really touched my heart with a burden to do more and pray and work to raise up more laborers. - Ron"
